The Rick & Sherry Murray Medical Futures Scholarship

*The Rick & Sherry Murray Medical Futures Scholarship* is for students who have or have had a close family member such as spouse, parent or guardian, child or grandparent diagnosed with ALS, also known as Lou Gehrig’s Disease, and who want to pursue a degree in the medical profession as a result of their experience.

**ELIGIBILITY GUIDELINES**

Applicants to *The Rick & Sherry Murray Medical Futures Scholarship* must be:

- A close relative of a person who has been diagnosed with ALS. (Families of every tradition will be considered.)
- A legal resident of Florida.
- Currently majoring in any medically-related or social work degree or attending any medically-related certification program.
- Any age of student may apply - scholarships are not restricted to graduating high school seniors, high school graduates or current undergraduates.
- Applicants must attend or be accepted to school full-time (as defined by the educational institution) at an accredited two-year or four-year college or university, or vocational-technical school located in the U.S.

**SCHOLARSHIP DESCRIPTION**

- One or more scholarships are awarded annually for program tuition only (award not to exceed balance due for a single semester's tuition). Combined total scholarship funding is $5000.
- Funds may be used for in- or out-of-state schools.
- Funds must be used for a college or technical program that is a medically-related or social work degree or certificate.
- Funds must only be used for payment of tuition, not including payment of fees.
- Students must have a minimum overall grade point average of 2.5 on a 4.0 scale (or the equivalent).
- Funds must be paid to an institution or corporation, not to an individual.
- Award recipients may reapply each year until they have received $5000 total.

**AWARDS**

- All scholarships are awarded on an objective and non-discriminatory basis.

**TO APPLY**

Interested students must complete an application and mail it along with a current, complete official transcript of grades (grade reports are not acceptable; on-line official transcripts must display student name, school name, grade and credit hours earned for each course, and term in which each course was taken), a 500-word essay describing how the student's experience with ALS has impacted him/her and his/her decision to enter the medical field, and two (2) letters of recommendation. Other requirements are listed on the application. Application deadline is July 10, 2020 (for August payment of funds). Scholarships awarded based on fund availability.

**SELECTION OF RECIPIENTS**

Scholarship finalists are selected on the basis of eligibility and completed application. Selection of recipient(s) is made by The ALS Association Florida Chapter Scholarship Selection Committee on the basis of strength of application, including academic record, demonstrated leadership, and community involvement.

The Selection Committee is comprised of at least four (4) independent committee members. At least one committee member will be employed by The ALS Association Florida Chapter and will act as a non-voting liaison between the Chapter and the committee.

Applicants will be notified whether or not they are finalists and recipients. Not all finalists will be selected as recipients. Finalists may be interviewed prior to a recipient being chosen. More than one recipient is chosen if a first-place recipient's tuition is less than the full scholarship funding.

**PAYMENT**

Tuition check will be made out to the school which the student is attending and mailed to the student.

**REVISIONS**

*The Rick & Sherry Murray Medical Futures Scholarship Fund* reserves the right to review the conditions and procedures of this scholarship program and to make changes at any time, including termination of the program.

**CONTACT**
